How to place an order if interested in purchasing a Chameleon.

Send email to: chameleons4u@yahoo.com Please Include name, address, zip code phone number (FedEx won't ship w/out number) (need driver license ID to pick up at Walgreens)

I'll send you a pay pal invoice for payment. Then we'll agree on a shipping date.

I will send copy of FedEx shipping label to you for your approval before shipping.

Shipping: I like to use FedEx overnight shipping to your nearest Walgreens. Walgreens is a shipping hub for FedEx. We prefer Walgreens because your chameleon isn't bouncing around in a truck waiting for your stop. No one has to be home waiting for your package.

Home Shipping Someone must be home to sign and receive package. FedEx won't leave package will leave at nearest hub and may or may not be a Walgreens.

We only ship Monday through Thursday (we can ship Friday for Saturday delivery. The rate can be double and if problem won't be deliver till Monday and we can't guarantee live arrival.)

Terms and conditions: *3 Day Live arrival guaranteed* from shipping or reptile show. *14 day health guarantee* if you post a picture of your chameleon in your appropriate size screen cage minimum size male cage 18x18x36 setup with UVB linear bulb light, basking light minimum size female cage 16x16x30 setup with UVB linear bulb light, basking light on our facebook page or email, messenger within 3 days after receiving shipment, picking up at show.

Sending us a txt message is best way to contact us. We don't check emails till late evening.
